# About the Buddy Program's Online Auction

The Online Auction is more than just bidding. Have you ever had a mentor who made a difference in your life? Do you know a young person who could benefit from that same guidance and support? By donating an item, **you're doing more than giving—you're helping ensure mentorship remains strong and accessible in our community.**

Your generosity creates opportunities for young people to thrive, build connections, and feel supported.

Donations range from dining and hotel stays to travel experiences, local gift cards, and more!

Any items valued at \$5,000+ will be considered for our "Extraordinary Finds" section!

## A gift that ripples

When your item sells, **100% of the proceeds** go directly to the Buddy Program's four youth mentoring programs, ensuring mentorship and support remain free and accessible for over 600 youth, families, and volunteers from Aspen to Glenwood Springs, and Rifle.

## Your gift has benefits

Your donation also showcases your business to a unique audience of Aspen locals and visitors—engaged community members who value and support businesses that give back. **Plus, we feature auction items in our newsletter and share exclusive sneak peeks on social media.**
